## 五、TOEIC 考題陷阱：連接詞 vs. 副詞連接詞

連接詞 (Conjunction)：連接兩個子句

although, because, while, if, when

副詞連接詞 (Adverb Connector)：連接兩個句子

however, therefore, moreover, nevertheless

重要區別：

正確：Although sales declined, profits increased. (用逗號連接)

正確：Sales declined. However, profits increased. (用句號分開)

錯誤：Sales declined, however profits increased. (不能用逗號)

EX: 題目出現兩個完整子句且中間有逗號：選 although (連接詞)

EX: 題目出現兩個句子且中間有句號或分號：選 however (副詞連接詞)

## 六、記憶口訣

意思相近但用法不同的配對：

although (連接詞) = however (副詞連接詞) = despite (介係詞)

because (連接詞) = therefore (副詞連接詞) = because of (介係詞)

and (連接詞) = moreover (副詞連接詞) = in addition to (介係詞)

### Article: New Marketing Strategy Announcement

#### BRIGHTSTAR ELECTRONICS ANNOUNCES NEW MARKETING STRATEGY

Brightstar Electronics, one of the leading consumer electronics companies in Asia, announced a major shift in its marketing strategy during its annual shareholder meeting on Tuesday.

CEO Lisa Huang revealed that the company will significantly reduce its spending on traditional advertising channels, such as television and print media, and redirect those funds toward digital marketing. "Our research shows that 75% of our target customers are between the ages of 18 and 35, and they spend an average of four hours per day on social media platforms," Huang explained.

The new strategy includes:

- Partnering with popular social media influencers to promote products
- Launching an interactive mobile app that offers virtual product demonstrations
- Creating a customer loyalty program with exclusive online discounts
- Investing \$5 million in video content production for platforms like YouTube and Instagram

The company expects these changes to reduce marketing costs by approximately 30% while reaching a broader audience. Marketing Director James Park noted that early trials of the influencer partnership program showed a 45% increase in brand engagement among younger consumers.

Industry analysts have responded positively to the announcement. "Brightstar is making a smart move by adapting to changing consumer habits," said market analyst David Chen. "Companies that fail to embrace digital marketing risk falling behind their competitors."

The new strategy will be fully implemented by the third quarter of this year.
